Quality Support From Today's Modular Building Leader

Mobile Modular offers one of the largest fleet of modular classroom solutions, available for lease, or purchase, and backed by a team of experts who truly understand the needs of today's educators.

Mobile Modular products offer an ideal balance of practical, aesthetic and logistic advantages, resulting in modern relocatable classrooms for educators.

Available applications include, but are not limited to:

- Relocatable Classrooms
- Restroom Buildings
- Admin Offices
- Libraries
- Science Labs
- Cafeterias
- Pre-School
- Kindergarten
- Instructor Resource Centers
- Computer Labs

A variety of floor plans and customizable options ensure that your relocatable learning environments not only meet or exceed all applicable state building codes, but also satisfy demanding educational requirements.

This is a regionally based program available in all states with the exception of AK and HI.

For more information, please contact your Member Relations Representative or David Manz, Business Development Manager, Facilities, at dmanz@eandi.org. You can also visit www.eandi.org.
