

Infection Prevention Solutions

Nine Mile Health is one of the nation's largest suppliers of critical infection prevention solutions to educational institutions, and the only health and wellness supplier focused on serving education. They are trusted for their health, safety, and reliability with a growing portfolio of U.S. manufactured products.

Nine Mile's complete suite of products includes sanitizers, disinfectant concentrates, antibacterial hand soaps and wipes, dispensing equipment, and critical PPE items such as gowns, masks, and gloves. With a 24-hour turn-around time on a range of items and a dedicated service team, Nine Mile ensures a rapid and reliable response to your institution's needs.

Contract Highlights:

- Tailored health and wellness solutions specifically for K-12 and higher ed
- Transparent, net-pricing approach with prompt payment discounts available
- Wellness and regulatory experts to help with compliance objectives
- Dedicated E&I service team for individualized support
- Sustainable product offerings to help members meet ESG goals
