

PPG SERVICES

FOR EDUCATIONAL FACILITIES

In an educational facility there are very few areas where painted substrates don't take a pounding. Stairwells, hallways, lockers, classrooms, cafeterias, gyms – no place is off limits to wear and tear.

PPG Services, powered by Paintzen project management technology, allows facility managers to more effectively manage the painting of their facilities while saving time with our digital tools and ensuring consistency across all locations.

BENEFITS FOR FACILITY MANAGERS:

- Standardized solutions that drive efficiency
- Transparent, consistent & predictable pricing
- Reporting capabilities through instant access to job data, site photos, schedule dates and project phases
- National network of fully sourced, vetted, reliable paint contractors for fast, efficient job completion
- Flexible, convenient scheduling for seasonality and your business needs to minimize disruption

SERVICES INCLUDE:

- Facility Paint Maintenance and Operating Binder documenting both product and color
- Exterior repaints and full-location refreshes
- Interior painting for dormitories, corridors, classrooms and more
- Wallpaper installation and specialty coatings
- Reactive and preventative maintenance programs
- Paint color, product specification and color matching
