

Delegate Hub

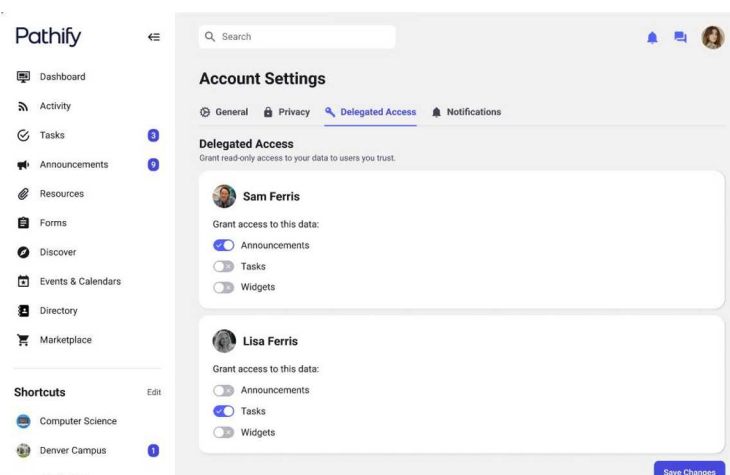

(Add-on)

Designate trusted individuals to manage important tasks and information, including viewing holds, reviewing financial aid and checking grades. Delegate Hub keeps parents and other family members informed, connected and invested in student success by centralizing resources, tools and reminders in one personalized space.

Students often rely on others for support — and that support network needs relevant information and resources. Delegate Hub surfaces the tools and information needed to support students every step of the way.

Delegate Hub In Action

Consolidate Delegate-specific resources and communication into one personalized dashboard — making it easy to build and execute a cohesive, coordinated engagement.

A One-Stop-Shop

Create Delegate-specific Groups and Events — like First Year Parents groups, Student Aid groups, family weekend or orientation events — driving engagement and enriching the community.

Efficient Task Management

Surface important tasks and reminders like tuition deadlines or graduation ticket purchases — ensuring Delegates stay informed of key milestones and deadlines.

Delegated Access

Institutions control which portal components are shareable, while students securely link Delegates to areas of the Engagement Hub — all in compliance with FERPA regulations.

Smarter Support

Drive deeper engagement and collaboration between campus communities — including students, families, academic advisors and athletic coaches — by keeping everyone informed and on the same page.
