

The background features a light blue illustration of a payment process flow. It shows a 'Payer/Customer' on the left, followed by a series of 'Payee Vendor' icons, each with a 'Business Identity Platform' interface. The flow ends with another 'Payer/Customer' on the right, accompanied by a lightbulb icon with gears inside, symbolizing automation and innovation. The 'PaymentWorks' logo is prominently displayed in the center-left of this illustration.

# PaymentWorks

## Fully Automate the Payee Management Process

---

The [PaymentWorks](#) Business Identity Platform eliminates the risk of business payments fraud, reduces cost and ensures compliance by automating complex payee-management processes.

The platform enables customers to automate the collection and verification of business identity information for all their payees and allows for the continuous monitoring and updating of the information - while thwarting any efforts to hijack an existing vendor record and redirect payments. PaymentWorks protects your organization from business payments fraud and ensures compliance with increasingly intense regulatory requirements and scrutiny.

### Contract Highlights:

- New and existing payees can self-manage changes & updates
- Automated verifications , including TIN, address and bank account ownership
- Ensure compliance, Uniform Guidance
- Interface with any ERP system
- Fraud prevention, enhanced security, & risk mitigation
- Reduce costs by shifting from checks to ACH payments
- 90 day implementation = quick time to value with minimal IT resources
- Competitive E&I member pricing
