

Special Competitive Displacement Program available exclusively for government clients with a competitive mailing system*.

When you acquire a Pitney Bowes mailing system to replace your current mailing system, Pitney Bowes will send you a check to be used to assist paying off either your existing competitive lease or, if the equipment is owned, any future financial meter or service agreements and termination fees owed to your current competitive vendor.

Act now, this offer won't last.

This is a limited time upgrade opportunity being offered through June 30, 2021.

Qualified clients will receive a check to assist paying off completeive fees:

- Up to \$500 when leasing a Pitney Bowes SendPro C-Series & SendPro C-Auto or SendPro **P2000 *Basic***
- Up to \$2,000 when leasing a Pitney Bowes SendPro P1000, SendPro P2000, SendPro P3000 Series

Must receive a valid signed order or purchase order on or before June 30, 2021.

*Competitive mailing system is defined as mailing systems provided or distributed by Quadiant, Neopost, Inc., Francotyp Postalia, or their respective agents.

Now is the perfect time to explore mailing system options. Find the right system to fit your needs and budget.
