Simplify your end-to-end shipping processes with Pitney Bowes

Pitney Bowes is a global leader in providing a full range of mailing and shipping solutions, equipment, supplies and support services to help you efficiently manage parcels and create mail and evidence postage.

From postage meters and mailing supplies to outbound/inbound sending and receiving solutions, Pitney Bowes provides the products and services you need to enhance productivity, improve parcel delivery, manage postage spend and more effectively engage with staff, students, alumni and the greater campus community.

Scope of services:

- Postage Meters-Leased and Rented
- Mailing and Related Equipment
- Tracking and Delivery Solutions
- Self-Service Parcel Pickup
- Multi-carrier Outbound Shipping
- Large-scale Mail Production
- Supplies and Support Services

Intelligent Locker Solutions

Intelligent Lockers from Pitney Bowes are a sophisticated, easy-to-use solution designed to provide secure, unattended shipment deliveries. Because each institution is unique, these lockers can be customized to accommodate virtually any workflow, application, décor, and brand.

The combination of 90+ years of experience and cutting-edge support services makes Pitney Bowes a valuable and experienced partner for all of your shipping and mailing requirements.
