- Waters Corporation, CNR01339
YOUR SAVINGS SOLUTION

E&I is the only member-owned, non-profit purchasing cooperative serving the needs of education. We help our member reduce costs and optimize supply chain efficiencies through a diverse portfolio of competitively solicited contracts and value-added services.

We act as an extension of your procurement department, helping you save time and money by handling the entire contracting process – that means everything from research and RFP development to contract management. This process has been validated as complying with generally accepted procurement standards by the National Association of Governmental Purchasing (NIGP).

Member involvement is the core of our success! Volunteer to serve on our Scientific Committee and help to grow this portfolio. Visit www.eandi.org or more information.
