**Part 1: GENERAL OVERVIEW**

Part 1 of this document is intended as an explanatory overview only and does not include comprehensive specifications. Additional details and specifications are provided in the sections that follow.

1.1 Description of Cooperative

Educational & Institutional Cooperative Services, Inc. (E&I) is a member owned New York not-for-profit corporation established in 1934 and is governed by a Board of Directors. The Board of Directors is a group of professionals who are elected by the E&I Membership. The Board provides oversight to ensure the Members’ needs are addressed and met. Our Membership is comprised of public and private universities and colleges, community colleges, other affiliated members, K-12, and teaching healthcare facilities throughout the United States.

The power of cooperative purchasing enables E&I to issue competitive solicitations and negotiate contracts for its Members on a wide variety of products and services. E&I currently maintains a large and robust portfolio in the areas of scientific equipment and supplies, furniture, interior furnishings, computer and software, electronics, multimedia, maintenance, food service, office equipment and supplies, transportation and delivery services.

1.2 Purpose and Intent of the Request for Proposal (RFP)

The purpose of this RFP is to establish a cost effective Master Agreement (“Agreement”) which complies with our Member procurement requirements and will provide E&I Members a procurement vehicle to acquire the products and/or services outlined in the Scope of Services in Part 2.

E&I is committed to utilizing purchasing and business practices in accordance with the National Association of Educational Procurement Code of Ethics. The primary goals and objectives of E&I are to: (1) assist our Members to obtain the absolute lowest cost and best value that exceeds other public sector consortia agreements, (2) establish a strategic sourcing partnership with any selected manufacturer(s) and authorized dealers, and (3) enhance our position as the premier Cooperative Purchasing Service for Education.

1.3 Market Opportunity

By satisfying the above Member needs, the Cooperative anticipates significant Member purchases to be recorded against the resulting Agreement(s). The Cooperative currently has over 4,000 Members, comprised of roughly 50% public and 50% private. K-12 school districts, academic healthcare and research institutions have become eligible for membership in E&I. The Cooperative’s expectations are a substantial opportunity for growth (in terms of Member purchases) with competitively awarded Agreement(s) in these markets. There is also interest in utilizing the potential contract by the Participating Oregon Community Colleges (POCC).

1.4 Member Participation

Once the awarded Supplier has been established and the Agreement finalized, individual E&I Members (in some situations Member departments) will review the awarded Supplier’s program and determine their individual participation. The awarded Supplier’s program includes the Agreement along with additional supporting materials (if any) developed by the awarded Supplier.

Some Members may have existing agreements now in place. Those Members that do, will consider this program as their existing agreements expire or, if available, may choose to opt out of existing agreements. For large dollar orders, Members retain the right to do individual Member competitive solicitations.

The awarded Supplier shall be provided an electronic file listing of E&I Members. Updated versions will be sent as needed. E&I will post the awarded Supplier’s program, in the form of an E&I Agreement, on the E&I internal web site. The E&I web site is password protected and only available to the Members.

18. Compliance with Specifications
The Supplier warrants that all goods, services, or work supplied under this Agreement shall conform to specifications, drawings, samples, or other descriptions contained or referenced herein and shall be merchantable, of good quality and workmanship and free from defect. 20. Covenant Against Contingency Fees
Supplier certifies that it has neither offered nor paid a contingency fee to any individual, agent, employee of E&I, or employee of any Member to secure or influence the decision to award this Agreement to Supplier.

26. Termination for Convenience
E&I may terminate this Agreement for any reason (convenience) by delivering not less than one hundred eighty (180) calendar days prior written notice thereof to the Supplier.

27. Termination and Termination for Default
E&I will notify the Supplier upon discovery of a breach of this Agreement. E&I may terminate this Agreement immediately upon the breach of this Agreement by Supplier by delivering written notice to Supplier, or if such breach is capable of being cured, E&I shall notify the Supplier in writing of such breach and demand that the same be cured within fourteen (14) calendar days. Should the Supplier fail to cure the same within said period, E&I shall then have the right to terminate this Agreement at the end of the fourteenth (14th) day. A notice will be sent to the Supplier to confirm the termination.

The failure of E&I on behalf of its Members to exercise its rights of termination for cause due to Supplier’s failure to perform as required in any instance shall not constitute a waiver of termination rights in any other instance. An order by a Member may be cancelled due to non-appropriation of funds. This funding out clause is required by several states and can be for non-appropriation of State and Federal funds.

28. Continuation of Performance Through Termination
Supplier shall continue to perform, in accordance with the requirements of this Agreement, up to the date of termination, as directed in the termination notice.

The terms and conditions specified herein shall remain in effect for the duration of the holdover period.

30. Independent Audit
Members may, for a period of three years after expiration of the Agreement, audit the Supplier’s records pertaining to its compliance with the terms of this Agreement.
