

Furniture for wherever work takes your team.

Staples® makes it easy to access furniture solutions to keep employees productive and comfortable no matter where they need to accomplish important work. Whether it's for a short time or a longer duration, create a space that they can call their own.

With your Staples® program it is easy to access furniture with quick ship options that deliver in 2-5 days nationwide. With hundreds of modern, easy-to-assemble options, they'll have what they need to get the work done. There's even an option to set up professional installation services online.

Your program also includes advice from a team of furniture experts that can help with simple needs, standards programs, a refresh or a complex redesign.

Furniture Solutions

From short term use seating, tables and risers to longer-term remote office furniture, your Staples program offers an assortment of products for any need and budget. Many with Quick Ship options delivering in as few as 2-5 days.

Tips to consider for Remote Working Furniture:

- Understand the type of work performed
- Consider the amount of time spent daily that requires work space
- Evaluate budget and compatibility of pieces
