

## Voice, Video and AV Solutions

---

SKC Communications is a full service communication technology integrator specializing in the design, build and management of technologies in the Unified Communications space. SKC's platinum level certifications and broad product selection are sure to improve your productivity and lower your operating costs.

E&'s competitively solicited SKC agreement provides the best possible pricing and service on an array of communication technology products including:

- Polycom video, telepresence, conference phones, MCUs, and streaming
- Cisco video, TelePresence, MCUs, and streaming
- Plantronics and GN Netcom headsets
- Avaya IP Voice Solutions
- VBrick streaming systems
- Crestron and AMX control systems and programming services
- Extron interfacing, switches, and control
- SMART Boards
- Polyvison interactive white boards
- Mitsubishi projector & displays
- Global Medicine and AMD Telemedicine
- SKC SMARTCare Services including maintenance, managed services, professional services, training and staffing
- SKC Professional Services including A/V design, programming, installation, design build and conferencing services

SKC employs a dedicated staff of highly trained Account Executives, Technicians and Customer Service representatives. The company maintains a large in-stock inventory and most orders ship same day. SKC also provides SKC SMARTCare and Professional Services.
