Gator Skin®

Dodgeball Jr. Our 5" dodgeballs are small enough for even 4 and 5 year olds to grip! "No-sting" construction, lighter and more kid friendly. Set of 6 balls, one in each Spectrum™ color. Recommended for ages 4 to 8.

SMF-W11493
set of 6.

Gator Skin® Dodge Plus Middle School Dodgeball. The perfect size and weight for middle school aged kids! We built our 6-1/2" diameter dodgeball with the same maximum durability of our Adult Dodgeballs, using high-density foam and an added bonding layer between the foam and Gator Skin® cover. That means the Dodge Plus can handle all your kids can dish out, but at approx. 120 grams, it weighs about 1/3rd of a traditional rubber playground ball.

SMF-W10060 6 Color Set

Gator Skin® Official Adult Dodgeball. Bigger, faster, stronger... It's the ball built specifically for teen and adult Dodgeball leagues and games! A little larger, firmer and heavier than our regular Gator Skin® dodgeballs so players can throw it further and faster. But despite its more robust construction, our adult dodgeball is still much softer and safer than a playground ball. 8.3" diameter.

How do you know what size jump rope to order for your kids?

The exact size needed for a jump rope varies from child to child. Optimally, when the child stands in the center of the rope, the handles will come up to the underarms. Use this chart to best determine your kids' needs.

Rope Length	Height
6'	Up to 4'5"
7'	Up to 4'10"
8'	4'10" - 5'5"
9'	5'5" - 6' or group jumping
10'	Over 6' or group jumping
16' or longer	Group jumping

36" Diameter Combo Set

45" Diameter Rookie Set

Spikeball® Games. A fun and energizing new sport for 2 to 4 players that plays a little like upside-down volleyball! A circular net is placed at ankle level between a pair of two-player teams. The ball is smacked down on the net so it ricochets up at your opponents. They then have up to three hits between them (just like volleyball) to control it and bounce it back. The Combo Spikeball set includes a 36" diameter net, 3 balls (approx. 3-3/4"), a drawstring backpack, and instructions. The Rookie Set is perfect for younger and novice players and includes a 45" diameter net, a larger 6-1/2" ball, and rules.

Deluxe Pro Steel Ladder Toss.

The all-steel targets slide together quick and easy! Unlike lighter and cheaper plastic targets, the added weight of the metal targets eliminates the need to stake the targets in place. Includes a deluxe carry bag, two 36" x 24" metal targets, 6 official size and weight bolas, and instructions.

SMF-W14147

EXCLUSIVE

Spikeball & Gator Skin® Easy Pack.

Spikeball is played by 2-4 players in a game that is somewhat like upside down volleyball. One challenge of the game for younger and beginner players is that the three 4" Spikeballs that come with the game move fast and can be tough to control. Switching to a 6" Gator Skin® ball, slows the game down and makes it easier for players to control. The cost saving Easy Pack includes 3 Spikeball targets, 3 Spikeball storage bags, 9 Spikeballs and a set of six, 6" diameter Gator Skin Softi balls and is suitable for up to 12 players.

SMF-W13380

Soft Bocce Game.

Play bocce indoors or outdoors with this safe, soft bocce set. Includes 8 bocce balls and a pallino ball. The 3" bocce balls weigh approx. 1/2 lb., have a vinyl outer layer, and are partially filled with sand to help them stop rolling on any surface including smooth gym floors! The hollow pallino is approx. 1-1/2" diameter and works great on the grass or outdoors. For indoor play, substitute your own beanbag.

Jumbo Speed Stacks. Jumbo Stacks are great for anyone who wants to add something new to their sport-stacking program. Perfect way to turn up the fun and add more movement at the same time. Floor relays and doubles stacking are a whole new challenge with these large-scale cups. Six different colors (red, blue, yellow, purple, orange, and green) of 6 Jumbo cups are included so the whole class can participate at once. The Speed Stacks Curriculum Guide incorporates use of a Sport Pack and Jumbos through team-based activities. Each Jumbo Cup measures 10-1/5"H x 9" in diameter.

SMF-W14151 Pack of 36.

KEVA® Contraptions Plank Set. Create unbelievable ball track structures with simple stacking planks. Open-ended, no rules play promotes experimentation, creativity and problem-solving – key mental skills for aspiring engineers and architects. Through trial and error, kids gain an early understanding of physics and engineering concepts like balance and structural stability. And with no glue or connectors to eliminate the threat of collapse, they learn to take their time, build carefully and hone fine-motor skills. Includes 200 pine planks, 2 balls and an idea booklet. For ages 7 and up.
