SSB provides data integration, management, and visualization through consulting services, offering institutions a transformative understanding of target audiences in athletics, advancement, alumni relations, development, foundations, student affairs, and much more. This allows leaders and administrators to make great decisions, communicate effectively, and drive improved performance.

This contract gives members access to a data ecosystem that will deliver results aligned with your institution’s goals, allowing you to:

• Make great decisions on engagement
• Communicate effectively with constituents
• Drive improved performance in fundraising, ticket sales, donations, and more
• Meet financial goals

Discover how SSB can deliver data that drives improved results for your institution!

For more information and to sign up for this competitively solicited contract, please visit www.eandi.org or contact your E&I Member Relations Representative.

SSB is a Microsoft U.S. Public Sector 2017 Partner of the Year Solicitation winner.
