

Facilities Programs & Management Solutions

SSC Service Solutions partners with educational institutions of every size to deliver quality integrated facilities programs. SSC is dedicated to enhancing educational settings while creating financial guarantees that can be reallocated into key areas of an institution's academic mission.

Facilities services available through this competitively solicited contract include repairs, maintenance, construction management, and energy management. Their team works to find the best solution for every institution's specific needs while reducing cost and liability.

Let SSC handle your facility needs so your students and staff can flourish in improved surroundings, while you focus on your core objectives: educating the future. Visit www.scccerv.com for free tools to see why outsourcing facility services might be the right solution for your institution.

Tools include:

- Facility risk meter
- SSC Classroom
- Outsourcing guide

For more information, please visit www.eandi.org, or contact your [E&I Member Relations Representative](#) or David Manz, *Business Development Manager, Facilities*, at dmanz@eandi.org.

This contract was based on the competitively solicited and awarded contract by the Texas A&M System (SSC Service Solutions-Facilities CNR01351).
