

# Shelby Williams®

## A Leader in the Commercial Furniture Industry, Focusing on the Hospitality and Food Service Markets.

---

Choose products from the [Shelby Williams](#) catalog, or let an experienced sales representative help you modify a style to suit your needs. The company offers custom-designed products to meet unique design requirements, with the ability to manufacture very large projects in relatively short lead times.

### Shelby Williams and the Environment

Shelby Williams manufacturing facilities focus on reducing waste, minimizing carbon footprint, and using recycled and recyclable materials. In 2009, their European production facility earned ISO 14001 certification, which requires some of the most rigorous environmental standards in the world. This facility is one of the few furniture factories which use renewable energy from wind turbines.

### Shelby Williams is a CFGroup furniture brand.
