Inspire Learning in Improved Environments

Widely recognized as an industry expert in learning spaces, especially in Pre-K and K-12, Smith System manufactures innovative products for healthier, more comfortable educational environments that benefit students and educators.

Smith System’s portfolio includes chairs, desks, tables, storage, and carts, each designed to make your classrooms, labs, makerspaces, and communal areas a source of inspiration for greater learning. Each product delivers long-term value for educators and students.

Smith System Product Applications Include:

- Classrooms
- Commons
- Libraries
- STEM Environments
- Early Childhood
- Makerspace
- Art & Science
- Computer Labs
- Café/Lounge
- Collaborative Learning
