

## The Only Publicly Procured PBM Program

---

SourceRx is a revolutionary Pharmacy Benefits Management (PBM) program designed to drive significant cost savings on prescription drugs from CVS Caremark and OptumRx.

By leveraging more than \$1 billion in buying power from over 3 million covered lives, SourceRx offers aggressive pricing and member-focused terms and conditions. Plus, as the longest-standing non-profit PBM, SourceRx offers the expertise and best-in-class support that members need when navigating the complexities of PBM.

### Contract Highlights:

- Average savings of 25%, which increases as participation grows
- Three-year rate guarantee
- Member Market Check at no additional cost
- Flexible contract options – transparent, traditional, average script price
- Stable discount rates on a defined list of specialty drugs
- Individual pricing available to all self-insured groups, regardless of size
- Claim-level pricing guarantees apply per claim, per employee, not in the aggregate
- Budget certainty through available stop loss policies
- Publicly procured for seamless adoption in all 50 states
- Quarterly reviews, annual audits, program audits, and market check assessments

Visit our website at [www.eandi.org](http://www.eandi.org) for more information, or contact your [Member Relations Representative](#) or Lindsay Taylor, *Business Development Manager, Research & Academic Healthcare*, at [ltaylor@eandi.org](mailto:ltaylor@eandi.org).

### **Nationwide Availability**

Because SourceRx is publicly procured, it is available for seamless adoption in all 50 states.

### **Savings Only Get Better**

With an average savings of 25%, members can expect this discount to grow as more institutions join and participate in the program.

### **Cost Efficiency for Self-Insured Employers**

The SourceRx program provides self-insured employers with a more cost-effective way to provide benefits to employees.

### **Aggressive Discounts & Terms**

This contract features aggressive terms designed to provide greater prescription drug stability, extensive flexibility, and budget certainty while delivering significant savings over any other PBM program available today.

### **Member Market Check at No Additional Cost**

This apples-to-apples assessment compares your current plan to the comparable SourceRx plan, which includes an analysis of disruption caused by moving from an existing plan to SourceRx.

### **Keeping Things in Check**

This agreement includes quarterly reviews, annual audits, program audits, and market check assessments.

**Contract Number:** CNR01487

*The SourceRx Pharmacy Benefits Management (PBM) program was competitively solicited and awarded by Sourcing Alliance and Health Action Council (HAC), and has been formally adopted by E&I Cooperative Services.*
