Best-in-Class PeopleSoft and Oracle Solutions

SpearMC Consulting is a tier-one Gartner-recognized Oracle Partner specializing in PeopleSoft training, managed services, Kibana data analytics, and Oracle Cloud infrastructure. Serving higher education since 2008, SpearMC is the only Oracle University Authorized Training partner dedicated to PeopleSoft.

Recognized as experts for PeopleSoft applications and related Oracle technologies, SpearMC handles both functional and technical PeopleSoft support. SpearMC works with your institution to customize service packages based on your unique needs delivering proactive maintenance with industry-leading service level agreements, prompt support from specialists with domain expertise, as well as practical learning experiences through their extensive PeopleSoft training courses.

Contract Highlights:

- Maximize budget each month or put unused service hours toward new projects with flexible contracts and rollover hours
- Onshore resources for fast and reliable response to service requests
- Monthly reporting for complete visibility into what the SpearMC team is working on
- As an Authorized Oracle University Training Partner, SpearMC is recommended by Oracle for PeopleSoft Training
- Extensive PeopleSoft training options including live, on-demand, in-person, virtual, one-time, and subscription options
- Isolate and eliminate PeopleSoft customizations to save money while staying current
- Right-size and migrate your PeopleSoft applications to Oracle cloud infrastructure
- Increase security and clean up data to boost system performance with PeopleSoft System Administration services
