

Effectively and efficiently managing your equipment repair process

Specialty Underwriters is a leading provider of equipment maintenance management programs. The company offers a reliable, time-proven approach to managing equipment repairs, reducing operating costs and providing ongoing analysis of measuring equipment reliability and vendor performance through key management reporting.

Contract Highlights:

- One point of contact for all equipment maintenance and management issues (including invoicing and payment)
- Retain your repair/maintenance provider of choice, and Specialty Underwriters will contact these companies as requested, process individual supplier invoices, and issue a consolidated invoice to you on a monthly or quarterly basis
- There can be a savings of 17% to 35% on maintenance and service agreements
- Additional financial rebates
