

Secure. Sustainable. Responsible.

ERI is a national one-stop electronic recycling solution.

ERI offers convenient services to fit every need, with a range of options including a pre-paid recycling box, full and complete packaging and logistic services, on-site data destruction services and more.

In addition to our core services, ERI designs custom solutions to unique logistics, destruction, recycling, recovery, and reporting programs based on your unique needs.

The ERI Difference

ERI is the only all-in-one global provider of ITAD, information destruction, and responsibility recycling processes.

ERI is a leader in the development of innovative and convenient programs for e-waste and IT assets. ERI will build custom solutions to meet your unique needs.

With 8 sites located within 500 miles of every zip-code in the US, ERI is close to all customers.

ERI's Nationwide Locations

Convenient Services

Electronic Recycling Mail Back

Staples Advantage customers can order a recycling box on staplesadvantage.com. The recycling box is shipped to you, and simply entails:

- place acceptable electronics inside the box;
- adhere provided return label to the box; and
- ship it out **at no extra cost**.

Full Service

Our full and complete logistics service is a worry-free and hands-free solution to your recycling needs. Simply call or go online to schedule a pickup and ERI will come to your location:

- sort and package all unwanted electronic devices;
- load and transport the materials to our facility; and
- provide secure bins for future recycling or recovery upon request.

Each shipment is insured through ERI's
\$5,000,000 Cyber Security Insurance Policy

On-site Data Destruction

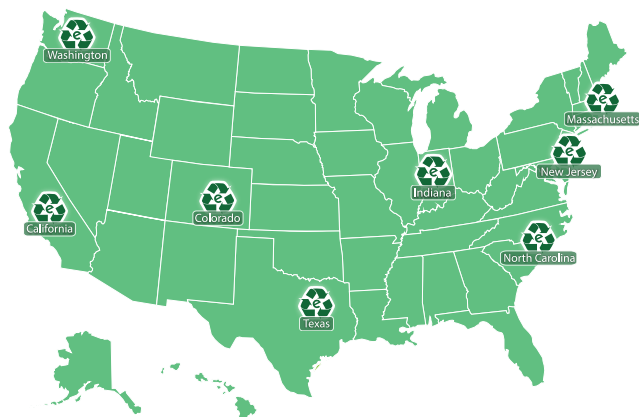

Enjoy the convenience of a certified mobile data destruction fleet for a complete array of data destruction needs, including:

- Hard drives
- Cell phones
- Other data storage devices

Large Volume Collection

Have a large volume of electronics? ERI will dispatch a truck to pick up your unwanted devices. How it works:

- Schedule a trailer drop-off time
- Properly load trailer with acceptable electronics
- Schedule a pickup

All ERI Services Include:

Responsible Recycling

100% Data Destruction

Regulatory Compliance

Certificate of Recycling
& Data Destruction

Standard - Tracking report
by component & weight

Asset Tracking - ERI will capture
the make, model & serial
of each unit
