Electrostatic Sprayers

Victory Electrostatic Sprayers and Accessories

- The sprayer’s patented technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with effective and even coverage.
- Double-charged particles envelope all conductive surfaces – shadowed, vertical and underneath.
- Cordless electrostatic sprayer is designed to save time and labor, spray less liquid, and cover more surfaces.
- Three-in-one nozzle lets you set the spray particle size to match your application.
