**Logo Integrity.** We have an entire department dedicated to ensuring your brand is being represented effectively and correctly. Our asset management tool safeguards logos, images, and graphics and protects your brand to ensure logos adhere to your specific brand guidelines.

### Vendor Compliance.

We protect you through rigorous contractual and auditing requirements placed on the suppliers we utilize on your behalf to ensure you are protected with the products you purchase.

**Merchandise Testing.** We protect your brand like it is our own. As your partner, we work with dedicated agents to identify the proper safety tests are being conducted and coordinate independent third-party testing.
