

Steelcase[®]
HEALTH

Thoughtful Solutions for Clinical Spaces

Steelcase leads the way in creating great experiences by offering a range of architecture, furniture, and technology products and services designed to help people reach their full potential. Together with their partners, Steelcase designs spaces to help people work, learn, and heal.

Steelcase® Health offerings include: seating, caseworks, technology products and lab bench products as well as products from the entire Steelcase family of companies - DesignTex and Turnstone. The products and expertise from each of these Steelcase companies, combined with significant experience in healthcare, provide one of the deepest product portfolios in the industry.

Contract Highlights:

- Furniture, architecture, and technology products
- Seating, caseworks, technology, and lab bench products
- Comprehensive portfolio includes three core brands: Steelcase, Coalesse & Turnstone
- Backed by the industry's best warranty
