Active Learning Solutions Can Improve Student Success

Steelcase is focused on helping schools, colleges and universities create the most effective, rewarding and inspiring learning environments to meet the evolving needs of students and educators.

Learning solutions driven by research
Steelcase has been working with educators and designers to rethink classrooms, libraries, common areas and other in-between spaces to incorporate user-friendly technology, flexible furniture and other tools to support active learning. The company also offers professional development and training programs to foster learning and continuing education for instructors.

More member benefits include:

Turnkey Installation – Makes things much easier on you - available through a nationwide dealer network of registered agreement dealers and their professional dealer consultants.

Lifetime Warranty – Rest assured that your product is backed by the Steelcase warranty. Available on most product lines. Steelcase and its family of brands, including Steelcase®, Coalesse®, Smith System®, Steelcase Education, Steelcase Health and Turnstone® – offer a comprehensive portfolio of furnishings, products and services designed to unlock human promise and support social, economic and environmental sustainability.

Steelcase is available as part of E&I’s ESM and JAGGAER offerings.

This contract offers discounts of up to 65% on select product lines. Additional discounts enable you to achieve greater savings with lower purchase volume!
