

Backed by a network of over 825 locations across 50 states, Sunbelt is one of the largest equipment rental companies in North America. Their portfolio features over 90 product categories and 8,000 product classifications, in addition to comprehensive safety programs and their “No Sweat Guarantee” to ensure you are well-equipped to meet the needs of any project.

Members can utilize Sunbelt’s extensive fleet of general construction equipment, industrial tools, pumps, power generation equipment, trench shoring, scaffolding, remediation and restoration equipment, and more. The company’s safety-first policies and practices extend into training programs dedicated to scaffolding, aerial work platforms, and forklifts. Additionally, all Sunbelt employees undergo mandatory worker safety programs, so your job can be completed easily, reliably, and safely.
