

Integrated Flooring Solutions for Educational Spaces

Tarkett produces a variety of flooring, including modular carpet, broadloom and woven, vinyl, linoleum, rubber, and laminate. With a portfolio perfectly suited for the unique needs of education, Tarkett creates flooring solutions that enhance working, learning, and living spaces across an entire campus.

Find a solution for every space, including:

- Auditoriums
- Cafeterias/dining areas
- Classrooms
- Corridors
- Food service areas
- Gymnasiums
- Laboratories
- Libraries
- Multi-purpose rooms
- Office/administrative
- Teacher's lounges
- Restrooms
- Residence halls

A dedication to leading-edge technology, sustainability, inspirational designs, and superior service demonstrate why Tarkett is an industry leader worldwide. Their full catalog is backed by long-term product performance and durability, as well as the most extensive warranties in the industry.

Contract Highlights:

- Quick Ship Specialist: wide selection of products available through Express (10 days or less) and Priority Express (2 days) service programs.
- Flexible Sourcing & Installation Options: members have the freedom to use preferred local flooring contractors or Source One for turnkey project management service.
- Environmentally Responsible: Tarkett proudly offers programs that reclaim old vinyl-backed carpet, which is recycled 100% to new floorcoverings. Tarkett recycles its own products as well as other manufacturers' vinyl-backed products and can provide a warranty that it will be fully recycled and never landfilled or incinerated.
