YOUR SAVINGS SOLUTION

E&I Cooperative Services (E&I) is the only member-owned, non-profit purchasing cooperative solely focused on serving education and related facilities. E&I delivers expertise, solutions, and services through a diverse portfolio of competitively solicited contracts and value-added services.

By leveraging the knowledge and purchasing power of its nationwide membership, E&I helps higher education and K-12 institutions reduce costs, optimize supply chain efficiencies, and save time on the RFP process. The Cooperative's member-driven competitive solicitation process has been validated by the National Institute of Governmental Purchasing (NIGP) as complying with generally accepted procurement standards.

Member involvement is the core of our success! Volunteer to serve on our [Technology Committee](#) and help to grow this portfolio. Visit www.eandi.org for more information.
