

Power Your Touch-Free School

You want to keep your teachers, students and staff healthy with touch-free faucets, towel dispensers, hand sanitizer stations and more. And we want to help. Let's power those devices with strong, high-quality Procell® and Procell® Intense batteries.

As you move toward a touch-free facility, an ample supply of backup alkaline batteries - AA, AAA, C, D and 9V - is more important than ever to make sure these devices are always up and running. And as an E&I member, you'll have access to discounts up to 73% off retail, local delivery and more.
