

Sustainability at UniGroup

OUR COMMITMENT

UniGroup is committed to delivering industry-leading transportation solutions with an eye toward social responsibility and sustainability. We recognize our impact as the nation's largest cooperative network of household goods movers and aim to set an example for the hundreds of movers in our network, both as a resource and accountability partner for their sustainability efforts.

RECOGNITION

In recognition of our sustainability achievements 2023, UniGroup was again awarded an EcoVadis Bronze Medal, placing our organization among the top 50% of companies assessed. EcoVadis is a trusted provider of business sustainability ratings and is utilized by a network of more than 100,000 rated companies.

SOCIAL RESPONSIBILITY

Our diverse backgrounds, thought processes and ideas foster empathy, further innovation and enable organizational success. As leaders in the transportation, logistics and moving industries, we:

- › Adhere to an integrity-driven code of conduct
- › Enlist insights from our diversity, equity and inclusion leadership committee and Inclusion Council
- › Continued Move Rescue consumer advocacy resources

SAFETY & THE ENVIRONMENT

- › **Sustainable Transportation:** California Air Resources Board-compliant
- › **Board Compliance:** SmartWay® certification
- › **Sustainable Operations:** Facilities upgrades and comply with ISO 14001:2015 certification requirements

COMMUNITY ENGAGEMENT

We care about giving back and support our UniGroup family and the communities where we operate through a variety of impactful opportunities and initiatives.
