

## All Your Procurement in One Place

---

Unimarket provides an easy-to-use, cloud-based e-procurement solution designed to meet the unique needs of higher education.

Unimarket handles every procurement need, providing members with a comprehensive solution for purchasing, invoicing, payments, contracts, sourcing, and expenses, as well as access to a growing supplier marketplace, all on one unified SaaS platform.

This powerful platform creates end-to-end visibility into the entire sourcing, purchasing, and payable process. This brings valuable insights into organizational spend, facilitates a strategic approach to procurement, and drives measurable cost savings. Plus, it seamlessly integrates with many management systems, user database/SSO systems, and a range of ERPs and financial systems such as Ellucian (Banner and Colleague), Oracle, PeopleSoft, and more

### Contract Highlights:

- Access to all Unimarket product modules
- Unlimited users, requisitions, purchase orders, and invoices
- Unlimited supplier catalogs at no additional cost
- Discounted subscription and service fees with no annual price increases
