

Corrigan Expands into Two New Markets

CORRIGAN MOVING SYSTEMS OPENS CLEVELAND MOVING COMPANY AND BOSTON SALES OFFICE
Expansions extend Corrigan's service capabilities around the nation

Farmington Hills MI., Aug. 1, 2016—Corrigan Moving Systems, a Farmington Hills MI based full-service relocation company, recently announced the expansion into two new markets: Cleveland OH and Boston MA. The Cleveland location is a full-service moving company and the Boston location is a sales office focusing primarily on the tradeshow and special commodity business lines. In Cleveland, the new location comes from the acquisition of Carney McNicholas' and their 40,000-square-foot warehouse facility. David Corrigan, president of Corrigan, made the announcement.

"We are very excited about both of these two new offices. Both teams have experienced, highly-talented teams who will represent Corrigan well in these new markets. In Cleveland, the talent the Carney McNicholas team brings to the table will be a perfect fit for our organization, both operationally and culturally," said Corrigan. "The Boston team is also a great fit for us, as they help us continue our growth in the logistics business. We look forward to delivering the same exceptional service and Corrigan Quality we've offered for nearly a century in these new markets."

The Carney family is continuing to play a leadership role at the Cleveland operation, and the 30 employees at the former Carney McNicholas office located at 2931 Abbe Road in Lorain will remain as Corrigan employees. Both Corrigan and Carney McNicholas have been awarded the prestigious United Van Lines' President's Quality Award, which recognizes companies based on their exemplary quality and service record.
