

Warranty Information

With respect to rental equipment, United Rentals will warrant that the equipment upon delivery will be in good working condition and in compliance with the original equipment manufacturer's specifications. United Rentals will repair or replace any equipment that is not in compliance with the above warranty. In addition, if equipment needs repair or replacement during the rental period, United Rental will repair or replace the equipment at its sole cost and expense. However, if the repair or replacement is due to Member abuse, misuse or neglect, the Member will be responsible for the cost of repair or replacement.

With respect to the sale of equipment, used equipment was previously rented out by United Rentals to numerous persons. Whether or not the equipment is used, it is being sold by United Rentals "AS IS, WITH ALL or ANY FAULTS". If the equipment is new, United Rentals will, to the extent permitted by the manufacturer, pass on the End User warranties made by such equipment manufacturer. Except where prohibited by state law, United Rentals makes no representation of warranty on any matter whatsoever except that, if End User elects and pays for the United Guard Warranty Program, United Rentals will make the warranties referred to in that program.
