

We partner with clients to build bigger virtual card programs.

We'll grow your virtual card program and maximize your rewards with continuous vendor enrollment - while we ensure seamless payments to your vendors. We deliver custom interchange rates, cash back rebates and added security on your AP spending.

600k+

Network of vendors accepting electronic payments

2-3x

Vendor enrollment rate vs. competition

We outshine the competition with dedicated vendor teams, technology that does the heavy lifting and fast ERP integration.

- ✔ **Let us do the work to convert your payments to cash**
Every vendor payment could be earning rebates.
- ✔ **Save time with easy reconciliation**
Get the benefit of trackable payment & automatic reconciliation.
- ✔ **Leverage our proprietary push payment technology**
Earn monthly rebates while vendors enjoy lower merchant fees.
- ✔ **Get more control**
Pay electronically and get detailed remittance via email.
- ✔ **Reduce printing & postage costs**
Save time and eliminate cost on every payment.
- ✔ **Make payments just like you do today**
We integrate our virtual card system with your accounting software.

Target 100% of your AP vendors

We seamlessly match vendors to our network as you add them.

PayForYou phone/web enablement

We handle vendors that only take cards over the web or phone.

Follow-up on unprocessed cards

We reach out via email and phone to vendors with unprocessed cards.

Virtual card support services

We're your front-line support to vendors with questions or issues.

Need to issue a one-time virtual card?

For one-time payments, quickly issue a virtual card on demand. Store virtual cards in Apple or Google wallets. Use our portal to manage users, set controls, and seamlessly track payments.
