## ADVANCED SECURITY SOLUTIONS FOR **EDUCATION**

Worldwide Sourcing Group, Inc. (WWSG) offers leading-edge hardware and software solutions for K-12 schools, colleges, and universities. Services include consultation, design, installation, and management of your new security and surveillance systems.

### Customized Solutions for E&I Members

School safety is WWSG's complete focus, and they have been addressing school safety threats for decades. Contact WWSG today for a comprehensive, free assessment of your school security needs.

### Complete Bundled Solutions, All in One Rate

Facial recognition technology and individual bag screeners used to be extremely cost prohibitive, especially for larger schools. WWSG's innovative pricing and bundling strategy makes this a thing of the past.

### Campus Police & School Security Guard Services

WWSG offers comprehensive security staffing solutions for your school or university. Most staff are former law enforcement or military professionals with expertise and training in risk mitigation, active threat containment, and conflict resolution.
