

Introducing Ward's World, your new destination for science teaching inspiration brought to you by [Ward's Science](#). Ward's World is a comprehensive go-to resource for classroom ideas and tools to make teaching science easier – and more fun!

This never-ending stream of free science exploration has been created just for you. Visit [wardsworld.wardsci.com](http://wardsworld.wardsci.com) to discover:

- Free classroom activities
- Helpful how-to videos
- Classroom tips, tricks, and resources
- Exclusive behind-the-scenes news from the Ward's Science lab
- Updates and information about the latest classroom trends

Not only does Ward's World provide K-12 educators with great ideas for teaching and the classroom, but members can benefit from this while saving big on the E&I Ward's Science contract.

Download this [overview](#) to learn more or visit [wardsworld.wardsci.com](http://wardsworld.wardsci.com).

For more information on [E&I's Ward's Science contract](#), contact Michael Costigan, Portfolio Support Executive, Research & Academic Healthcare, at [mcostigan@eandi.org](mailto:mcostigan@eandi.org).
